A Message to Parents and Students About After School Activities

On the following pages you will find information about each of this year's exciting after school activities including days, times, and prices. We are pleased this year to offer a wide variety of activities open to all of our K-5 students and introduce two new programs that are open to our 2nd—5th grade students.

A few notes to remember:

- Classes run from 3:35—4:35 unless otherwise stated in their description. Students participating in a class must be picked up at that time.
- Aftercare, after any activity, will only be available to those who are already signed up for aftercare.
- In order for a class to take place each a minimum number of students must enroll. The minimum varies per class and appears in its description.
